

Congratulations!

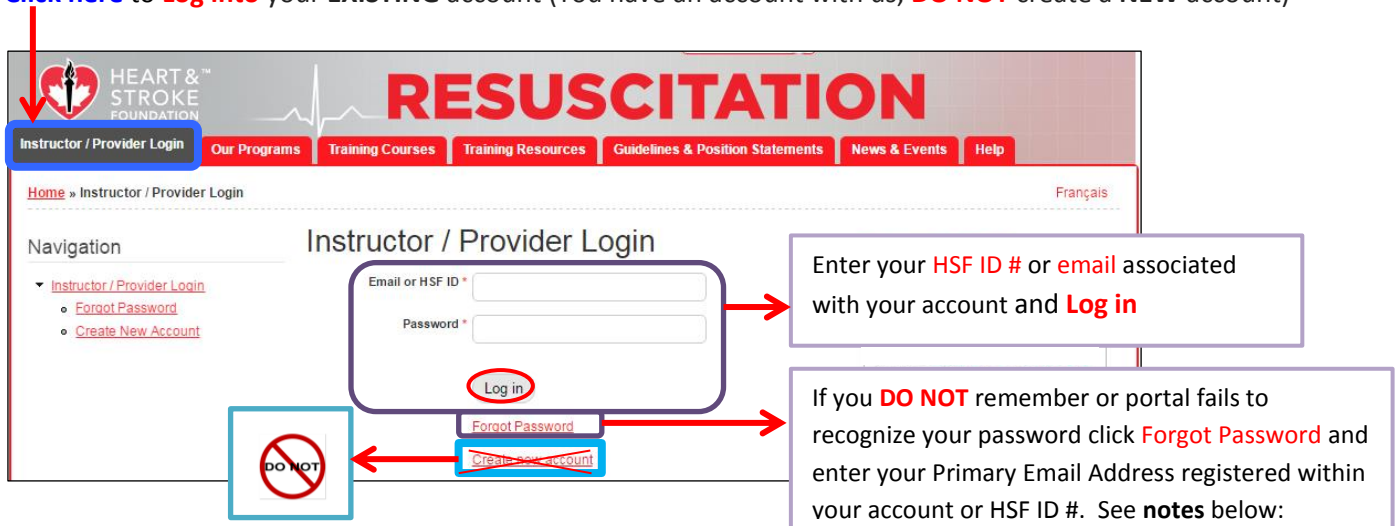

You have successfully completed the _____ course.

How to Log into your Portal Account?

Shortly, you will receive an email titled “**Successful Certification Completion**” from the Heart and Stroke Foundation to the email address registered in your account.

If you **DO NOT** receive the above email, go on our website resuscitation.heartandstroke.ca

Click [here](#) to **Log into** your **EXISTING** account (You have an account with us, **DO NOT** create a **NEW** account)

The screenshot shows the 'Instructor / Provider Login' page. A red arrow points to the 'Instructor / Provider Login' menu item. The login form includes fields for 'Email or HSF ID *' and 'Password *', a 'Log in' button, a 'Forgot Password' link, and a 'Create New Account' link. A 'DO NOT' sign is placed over the 'Create New Account' link. Callout boxes provide instructions: 'Enter your HSF ID # or email associated with your account and Log in' and 'If you DO NOT remember or portal fails to recognize your password click Forgot Password and enter your Primary Email Address registered within your account or HSF ID #. See notes below:'.

Notes:

If you do not get a temporary password following completion of the above action, please contact:

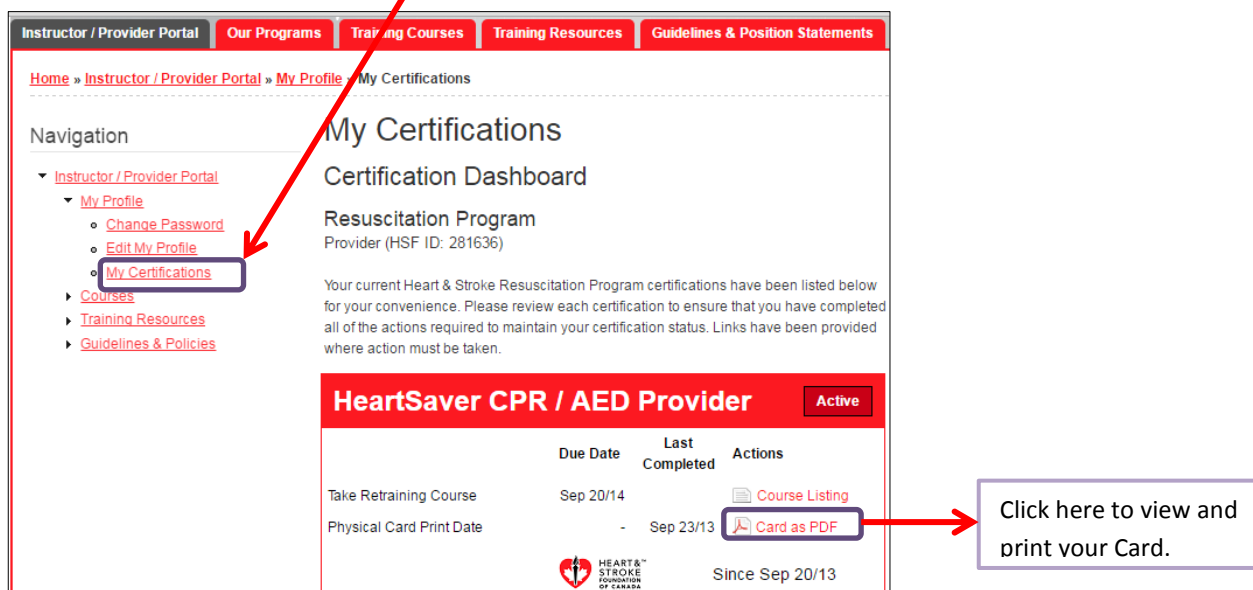

Resuscitation Support Centre (RSC)

Phone: 1-877-473-0333

Email: rsc@hsf.ca

How to access your completion Card?

After you've logged in click on “My Certifications” and “Card as PDF” to print your Course Completion Card.

The screenshot shows the 'My Certifications' page. A red arrow points to the 'My Certifications' link in the navigation menu. The page displays a 'Certification Dashboard' for the 'Resuscitation Program' (Provider HSF ID: 281636). A table lists certifications, with a 'Card as PDF' link highlighted. A callout box says 'Click here to view and print your Card.' The table data is as follows:

	Due Date	Last Completed	Actions
Take Retraining Course	Sep 20/14		Course Listing
Physical Card Print Date	-	Sep 23/13	Card as PDF
